The Orindawoods Tennis Experience!

Here at the Orindawoods Tennis Club we look forward to providing your child with an exciting and challenging tennis experience. We are experts in fun! We pride ourselves on our positive and nurturing tennis learning environment.

Whether you are a beginner, or a more experienced player looking to improve your strokes, strategy and footwork, our **Instruction Block Clinic** is the class for you. If you want to

improve your ability to compete and manage your competition points, sign up for our **Match Play Block**. Want to get the all-around experience? Then sign up for the **Full Afternoon Clinic** and get both of the above blocks at a great price!

Our **Lil' Ones Clinic**, for the 4 to 6 year olds, now has new days and a new time. Class days are **Monday and Wednesdays at 11:00am**.

I am very excited to announce that Miramonte High School Coach **Mike McCollom** will be coaching the clinics again this year.

We hope to see you this summer!

Sincerely,

Coach Patric
